

"Waters" includes everything inside the blue box
EXCEPT waters with NO NEXUS

"Waters of the state or waters" means tidal waters, fresh waters, and wetlands.

"Tidal waters" means wherever the tide ebbs and flows.

"Fresh waters" means wherever fresh water flows or stands during any season of the year.

"Wetlands" means those areas that are inundated or saturated by surface or ground water at a frequency and duration sufficient to support, and that under normal circumstances do support, a prevalence of vegetation typically adapted for life in saturated soil conditions, **and are waters of the United States under the federal Clean Water Act.**

"Surface waters" means fresh waters and tidal waters, including but not limited to rivers, streams, lakes, ponds, impoundments, tidal waters, **and wetlands with standing or flowing water.**
